

Cash Vending System

Charge for photocopy outputs

Our MFP cash vending system is ideal for those public access areas (e.g Libraries) who wish to charge for photocopy outputs. Users simply pay for these services via the coin box prior to carrying out the activity of their choice.

KEY BENEFITS

- Turns photocopy costs into revenue
- Provides document output security
- Reduces unwanted copy
- Reduces IT support requirements
- Allows optimum deployment of MFDs in libraries and open access areas

KEY FEATURES

- Self service vending for payment of copy
- Different charges can be levied for colour vs mono
- Charge different prices for different paper sizes
- Coin only

IDEAL FOR

Any organisation wishing to charge for photocopying in a public environment
