

# XPR Enterprise e-Pay

Web payment for print and copy

**XPR e-Pay allows print and copy accounts to be topped-up or managed online. It is easy to use, quick and secure. e-Pay reduces cash handling for the host organisation. Account holders benefit from improved accessibility to their account and it eradicates the need to visit a kiosk or pay-desk to top-up. Users can top-up from their home, office or even iPhone: anywhere there is an instant connection**

## KEY FEATURES

- Top-up and account management is easy from any internet connected device
- Supports all major credit and debit cards
- Simple new user registration
- Transactions are implemented instantly
- Transaction history is stored for view
- Online display is customised (branded) for each host organisation and delivers seamless integration to the host's website

## KEY BENEFITS

- Reduces cash handling for host organisations
- More convenient for account holders
- Secure, reliable and fully certified
- 24/7 availability with instant account updates
- Flat monthly fee makes budgeting easier

## Take control with Pcounter.
