

INTERNATIONAL STUDENTS

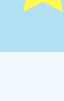

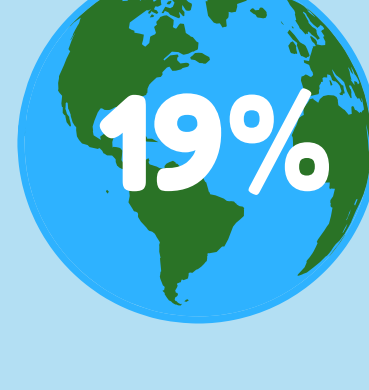

and why they matter to your success

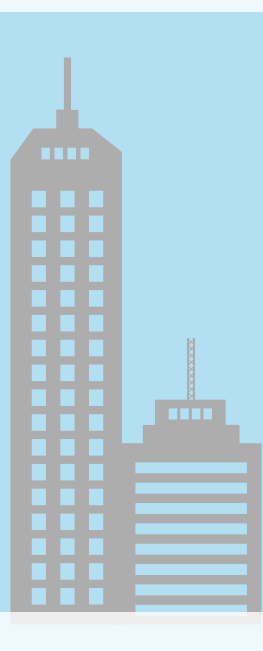

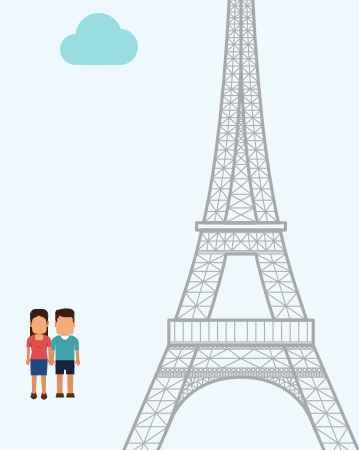

ATTENDANCE AND ENGAGEMENT SOFTWARE

In 2014-15 international students accounted for 19% of all students registered at UK universities, making up a significant proportion enrolments

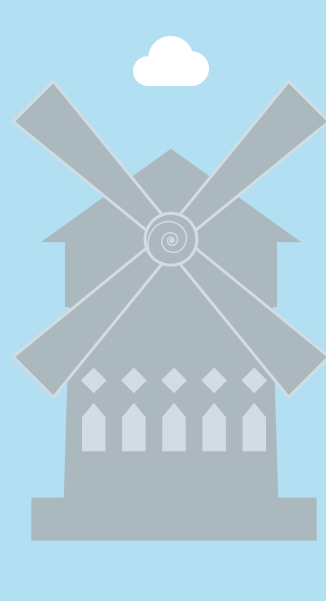

Over and above what international students spent on campus in 2014 - 15 they also spent £5.4 billion off-campus on goods and services

International students are great for the British economy and in 2014-15 they were responsible for £10.8 billion of UK export earnings

On and off campus spending by international students and their visitors generated £25.8 billion gross output for the UK in 2014 - 15

The economic activity by international students generated £1 billion in tax revenues in 2014 - 15 alone.

Equivalent to 31,700 nurses or 25,000 police offices salaries.

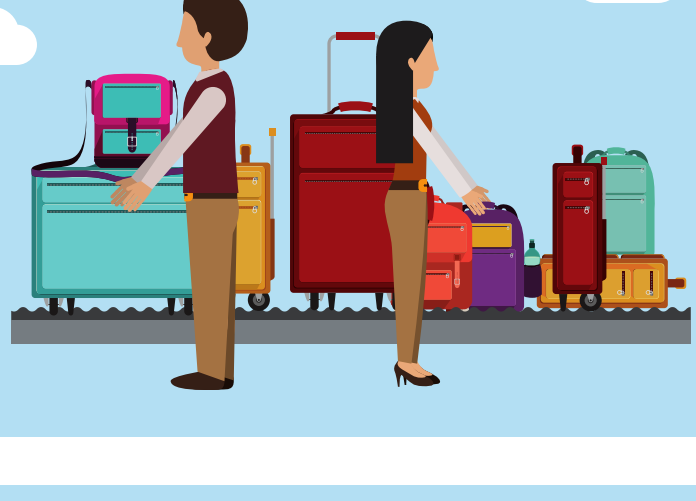

As a HIGHER EDUCATION INSTITUTION you are required to undertake a range of duties & responsibilities as highly rusted Sponsors of Tier 4 international students. These focus on:

1. Issuing of Confirmation of Acceptance for Studies (CAS)
2. Record keeping and reporting duties to ensure sponsored students arrive, enrol and complete their studies

It's important international students take responsibility to ensure they comply with the conditions of their visa as failing to is a criminal offence and could result in their visa being withdrawn

What can you do to meet UKVI Tier 4 requirements and ensure your international students complete their studies?

Install ATTENDANCE & ENGAGEMENT SOFTWARE

Our intelligent and easy to use solution helps you comply with Tier 4 requirements by allowing you to record, report and monitor behaviour and engagement of these students

It improves engagement and attendance, reducing drop out and graduation rates

It gives you Insight into student attendance with real time alerts for non-attending or disengaged students

With one central management dashboard you have a quick and clear overview with powerful reporting, curriculum planning, timetabling and schedule management tools

Meet UKVI - tier 4 standards, spot potential drop-outs early and support international students before they are struggling. It's really simple with attendance and engagement software. Achieve better retention rates with no loss of tuition fees and happy engaged international and UK students

If retaining both international and UK students and their fees is concerning you then we can help
